**Focus on CRITT M2A's anniversary**

**FORTHCOMING EVENTS**

## CRITT M2A celebrated its 10th anniversary!

To celebrate its 10th anniversary as a private company, CRITT M2A organised a special day gathering with around a hundred guests.

This day began with the speaking of **Alain Wacheux**, Head of **Communauté d'agglomération Béthune-Bruay**, who opened the meeting with a short speech emphasizing his satisfaction regarding the **success of CRITT M2A**, considering it as a **technological showcase** of the region and a symbol of economical development success.

Several speeches followed, as well as an excellent customer testimonial of **Audrey Vastroux**, Head of the Project Management Office at **Renault Sport Racing**, who focused on the **professionalism and flexibility** of the CRITT M2A teams.

Among renowned speakers, **Pierre Moreau**, Vice-President for the economic development of the **Communauté d'agglomération Béthune-Bruay**, traced the company history in the context of the territory.

David Durrieu, R&D Powertrain Manager at Valeo, reminded the **partnership policy** of the CRITT M2A by focusing on the **SuralHy project** and the contribution of CRITT M2A's resources to the development of a product on the today's market.

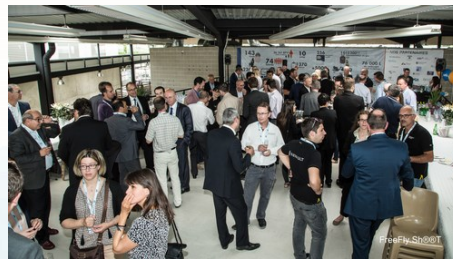

Then, **Philippe Anrigo**, Expert leader in Testing & Measurement technology at Renault, spoke about the **partnership spirit** that has been driving CRITT ever since the beginning of the SAS, and Renault's careful observation of the CRITT M2A's continuing **new investments**.

**Luc Messien**, CEO of the **Pôle Automobile Hauts de France**, also spoke about the investment of CRITT M2A in its territory and its **contribution to the R&D development** in the Hauts de France.

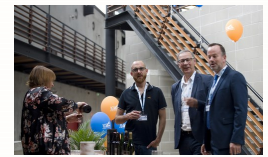

Finally, **Jérôme Bodelle** closed the meeting by retracing the human adventure that represented the **fast growth** of the company and taking this opportunity to draw up a **report** and share his **new ambitions in France and internationally**.

The **10th anniversary of CRITT M2A** was an opportunity to **gather and thank** for their continuing **trust** the present people and all people, companies and local authorities involved.

This series of testimonies was continued with a **cocktail** and several **animations** in a **festive and friendly atmosphere**.
